OUR VISIONARIES

**SYED SHIHABUDHEEN
IMBICHI KOYA THANGAL (Grand Qazi of Kozhikode)**

It was Reverend Syed Imbichi Koya Thangal who inaugurated the early buildings of Al Markazul Farooqui and provided essential advices.

SHAIKHUNA ARMIYA' KUTTY MUSLIYAR

It was the dream of Shaikhuna armiya' kutty musliyar (Kunharamutty musliyar), a distinguished scholar, Sufi, jurist (Faqih), Qari, and one of the founding members of the Samastha Kerala Jam-eyathul Ulama and its Mushawara, to establish an institution that prioritized Qira'ath and Thajweed. To fulfill this dream, he entrusted his disciple, Usthad Abdul Razaq Al Furqani, and embarked on the Hajj pilgrimage. However, he passed away in Makkah on the night of Arafat.

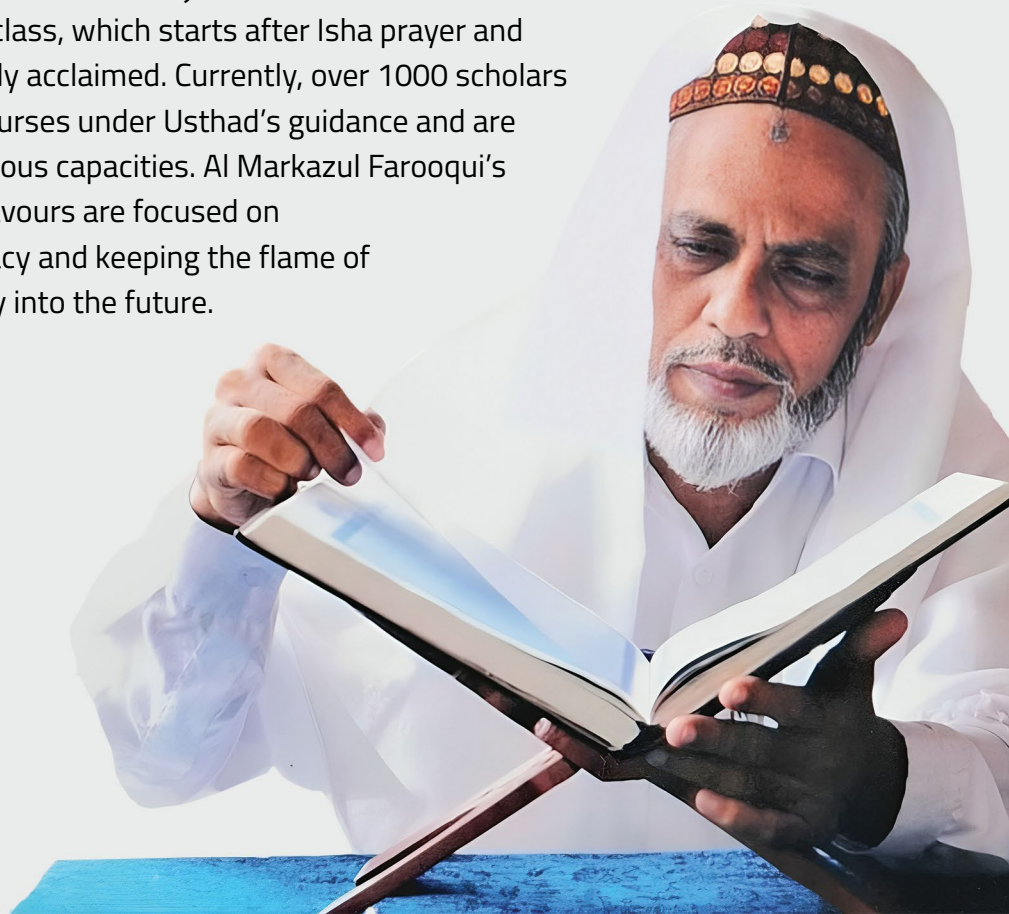

**SHAIKHUNA MUHYIDHEEN
KUTTY MUSLIYAR KAVANUR**

The proposal to establish a structured institution for Quranic studies, with an emphasis on Tajweed, was guided by the distinguished Sufi scholar and spiritual leader, Shaikhuna Kavanur Muhyidheen Kutty Musliyar. With his prayers and blessings, this initiative was formally launched in the year 1994.

THE FOUNDER

To fulfill the dream of Shaikhuna Armiya' Musliyar, his disciple Usthad Abdul Razaq Al Furqani began teaching Thajweed classes for the first time at his own house in Kuttichira, Kozhikode, in 1983. This initiative aimed to revive the knowledge of Thajweed, which was fading away. Since 1994, he has systematically developed the institution and erected another building in 2000 to meet the growing demands and further his mission.

Since 1983, more than 200 scholars from around seven districts of Malabar have consistently attended Usthad's Thajweed classes. Usthad's renowned 'Saba' Qira'ath' class, which starts after Isha prayer and extends until dawn, is highly acclaimed. Currently, over 1000 scholars have completed various courses under Usthad's guidance and are actively contributing in various capacities. Al Markazul Farooqui's ongoing educational endeavours are focused on perpetuating Usthad's legacy and keeping the flame of knowledge burning brightly into the future.
